Chris,

I have been enjoying your website about the Allen's and your family.

Thank you for all the record keeping.

I also have been working on the Allen Family and would like to ask you a question

I have descendents of William Allen as shown below. However your history does not include:

1. Joseph Alfred Allen
2. Catherine
3. Emma

Since I have only started scouring database this week, and found your information detailed, I can only ask if your records may have changed since published and include the three people above. Below, I attached my source to help.

Thanks

I have up to six generation under Alfred and Annie King and more on others if you would like to share. I will be working to get dated from interviews in DuBois (where I grew up and still have family there). Believe it or not, I pass the Rumbarger cemetery every time I visit DuBois and plan to go to the cemetery. I need to see how Boody is spelled as well.
